

Congratulations Dawn!

Please join us in wishing Dawn a heart-felt congratulations on her retirement this afternoon from Buckley Wealth Management.

While it is a bittersweet moment for us, we are excited that she will be able to spend more time with her family, especially with her beloved grandson. Some of you may remember that Dawn started her career with PaineWebber in 1978 just after Brian joined that firm. Coincidentally, Brian and Dawn both joined Dean Witter Reynolds in 1988. Eventually Dean Witter merged with Morgan Stanley where Dawn joined the Buckley Group in 2009. She was a founding member of Buckley Wealth Management and may have been the first person to greet you when we opened our doors on February 17, 2017. More important than all of the professional connections, however, is the friendship we have with Dawn and her family, a friendship that goes back more than forty years. We treasure her friendship above all.

Please join us in wishing her all the best in her well-deserved retirement. We are forever grateful for her dedication, her grace, and her good humor. We will miss her very much.
